Plant Photography

12 March to 3 April

Jenny's plant photography is all shot on traditional 35mm film, with coloured plastics forming the backdrop to most of the images in her exhibition.

The prints show the dramatic beauty of the plants Jenny used as her subjects, most of which were growing near her Narberth home.

Jenny Blackmore can be contacted on 0777 958 0756, or email jennyblackmore@yahoo.co.uk
